President's Message

April showers bring May flowers...
April in Paris.... Aaaaah, lovely, but not this year.

April brings us hope with new life emerging in nature and the promise of warmer days ahead. It also keeps us busy with Ramadan, Passover, Easter, tax day (booo!), and ... the State Convention (yay!)

The state convention is always interesting and it gives you a larger picture of DKG at the state and international levels. You can get new ideas and share from other sisters, and have fun! I hope you have already registered and can join several of us who are attending.

April also starts the countdown to summer. I hope our still active teachers can get refreshed from spring break and hang on until June!

Best wishes for a warm spring!
Cindy
