## Upcoming Elections for ADSOEF and OSO

I have an article in the November VOICE requesting members, from across the state, to consider being on the Board of Directors for ALPHA DELTA STATE OHIO EDUCATION FOUNDATION. At the next election, the Foundation will be electing 7 new directors – 2 for two year term and 5 for three year terms. I stated several reasons why members should step up to help the Foundation in that article and I will not repeat those here. But this is a more direct appeal to Gamma Phi members to consider doing so. For many years Gamma Phi has been very active in the workings of OSO and the Foundation. Our members have been state officers, directors of the Foundation, planned and organized very successful OSO conventions and have serve on numerous committees. Gamma Phi is respected across Ohio and a major way that will continue is for our members to be willing to take on leadership roles at the state level.

“But it will take so much of my time!” If that is a concern, my suggestion is that you begin your process toward a bigger role in OSO by volunteering to be on a state-wide committee for either the state organization or the Foundation. Both organizations will be looking for committee members as the 2021-2023 biennium begins next July. If you are willing to “get your feet wet”, please contact Diana Kilpatrick, OSO’s current president, and for the Foundation, Kathy McClendon the current chair of the Board of Directors. I can attest to the fact that my participation in both of these groups has been very fulfilling, even if I appear to be pulling my hair out.

Gamma Phi is a strong chapter in OSO, and I believe we all want it to continue being so. So please ask yourself the following questions – “If not ME, WHO? If not NOW, WHEN? “. Please consider being the ME NOW.

## CEU's

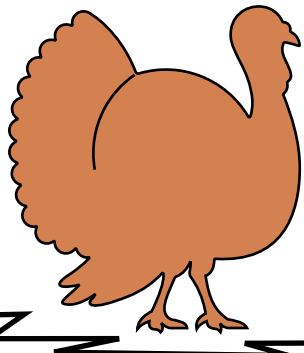

It has been brought to our attention that there are some DKG chapters in other states that are offering CEU's (Continuing Education Units) to active teachers for attending meetings which would be relevant to the education field.

This is something that our current active teacher members might want to check into with their districts to see if this would be applicable.

Please let us know if you would like to request for CEU's for any of our meetings. We would be happy to assist in the application process.

## November Feature Member Jane Houser

My desire to become a teacher started early. I loved working at Camp Stepping Stones in late grade school, high school and during college. I spent my undergraduate time at U.C. I did graduate work at U.C. and Xavier.

I married my husband, Mike, in 1979 and we eventually had 3 children and I now have 3 grandchildren. I grew up and have lived on the west side of Cincinnati all of my life.

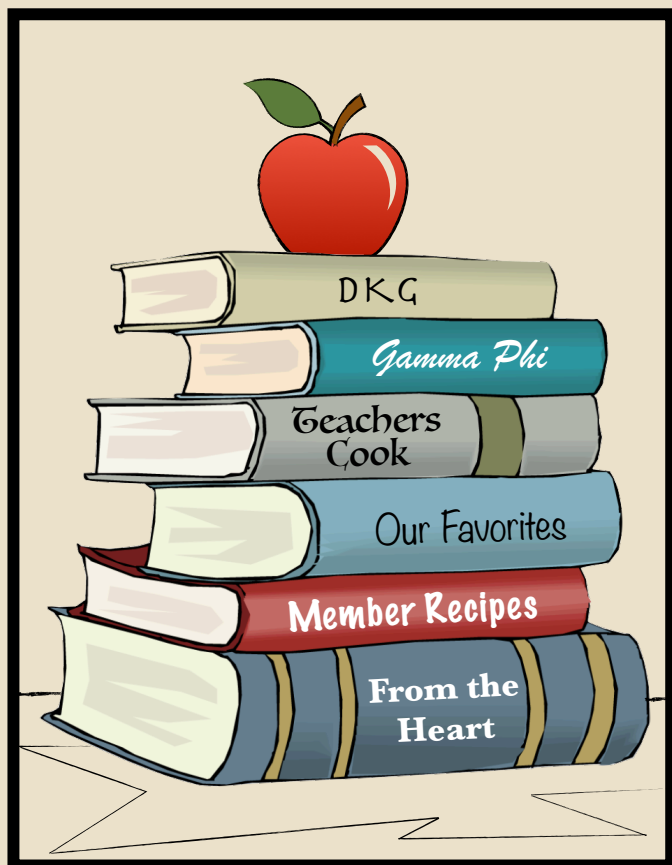

Special Education has always been my teaching focus. I've taught children from preschool to middle school. I spent ten years in Warren County and over 20 at Northwest Local. Since I retired in 2011, I have been a substitute teacher in Northwest. I still love to get in the classroom and interact with the kids, I don't miss the paperwork!

I love to read, attend theater (hoping it comes back soon) and travel. Over the last several years, I have been participating in a weeklong mission trip with the Glenmary Missionaries that has been a blessing.

Hope you like my 'Hamilton' mask!

## We are going to do a recipe exchange!

Please think of a “family favorite” holiday recipe (or two, or three) to share with us. Entree, side dish, salad, dessert, cookies, breakfast, or beverage, ...it’s your choice!

At the meeting, we will describe all our recipes and why they have special meaning. You can even show us the finished product if you wish.

We will compile all of your favorites into a chapter cookbook! **Please send all your recipes to either Cindy Speakman or Katie Gantz by November 12th.**

## Join us for this fun meeting!!!

Watch for the meeting link and reminder to arrive via email on November 10th.
