A “PIG” THANK YOU TO ALL YOU GRUNTS!!

The Flying Pig Marathon has had another successful year. I hope that the same is true for Gamma Phi.

The grunts are the backbone of this event who help keep the Flying Pig running. I am so appreciative of all of you who gave your time and were a part of this iconic event. Whatever the outcome we gave it our best shot.

(When we hear how much we have received, we will send an email blast)

I hope to see you next year in May!
Again, THANK YOU!!

Best wishes for a safe and enjoyable summer.
Sue (fellow grunt)

PIGGEST RAFFLE EVER Update

No, a donor to Gamma Phi Chapter was not a prize winner of the Piggest Chapter Ever! Raffle...but our chapter was a winner!

The generous and kind donations of members, friends and family totaled \$325.00! Thank you for taking a chance and in doing so, gifting to Gamma Phi Chapter. Thank you for your support! You are appreciated!

Diana Haskell, President-elect

Professional Affairs Update

It seems that in every newspaper, there is an article about what is happening in our state Legislature involving all levels of education. There is information concerning the state superintendent (or lack of one), the possibility that the governor will become the Superintendent, changes in funding and an increase in voucher funding, changes in the Social Studies curriculum (American History), to one that only presents positives about our past, changing the employment policy for college professors, as well as articles concerning the status of STRS and others.

It is difficult to know which items have been settled and which are still being discussed. We all want to make informed opinions concerning these issues, so please follow the developments wherever you can obtain valid information. Education in Ohio is a vital factor in the strength of the state now and in the future.
